Local Doctor of Optometry Receives Certificate of Excellence
Dr. Joe Horne receives outstanding reviews from his MES Vision Patients

SAN LUIS OBISPO, CA – Doctor Joe Horne, of San Luis Obispo Eye Associates has been awarded a Certificate of Excellence from [MES Vision](#) for providing exceptional vision care in 2010. The Certificate of Excellence is awarded based on feedback received from MES Vision patients who rated Dr. Horne’s practices as “Excellent” on all surveyed categories.

Dr. Horne provides primary eye care including eye exams, contact lenses, and the treatment of ocular diseases. He focuses on making sure that all the visual problems of every patient are perfectly corrected.

“I am honored to receive this recognition and grateful for the wonderful patients I have,” said Dr. Horne. “Ensuring my patients receive the greatest quality of care provided in a relaxed environment will continue to remain my first priority.”

Earning his Doctor of Optometry degree from Southern California College of Optometry, Dr. Horne is board certified in the treatment and management of ocular diseases. Before earning his doctorate, Dr. Horne received a Bachelor of Science in pre-medicine from the University of Nevada.

Established in 1995 by the merging of three successful ophthalmology subspecialty practices on the central coast, San Luis Eye Associates offers a full range of eye care services, experienced specialists who are leaders in their fields, state-of-the-art equipment, and the latest techniques in eye care.
